

# VS Euro Locking Backset Technical - Timber

1951 / 1961 - 1971

There is no flexible adjustment of the back set with these products due to the fixed position of the Euro Cylinder. To adjust the backset the you must order a Backset Adjustment Packer, available in 5mm and 10mm sizes.

## 50 Backset (50BS - C)

## 35 Backset (35BS - B)
