

## Bolt Strikes - Flat Bolt

Designed so the bolt opening restricts movement in the desired direction, while providing clearance and alignment tolerance at 90 degrees to the direction of the bolt or door travel.

## Flat Strikes

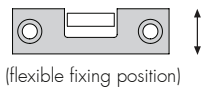

Hinge/Bifold Door  
2090

Sliding Door  
2091

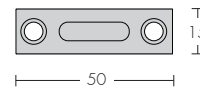

2092

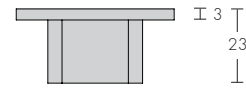

## Water Proof Strikes

Hinge/Bifold Door  
2093

Sliding Door  
2094

## Configuration

Hinge/Bifold Door

Sliding Door

Clearance is added to allow for expansion of the contraction of doors and frames.
