

## Lift & Slide - Flush

The Chant flush lift & slide sliding door set is designed to be paired with sliding doors fitted with most lift and slide door systems on the market. Being flush, allows for a contemporary aesthetic and practical solution for doors which slide into a cavity or where a flush aesthetic is desired.

- Solid brass construction with SS yoke
- 400kg door weight rating
- Available in a range of finishes
- 80mm mounting centers for lock mechanism
